Community Roundabout Conversation

The Spokane Regional Transportation Council (SRTC) is bringing in a panel of planners and engineers from around the country to address:

- Why the use of roundabouts is growing
- How roundabouts can be “right-sized” to fit a community
- How roundabouts add to placemaking and livability of an area
- The proper way to use a roundabout
- Roundabout policy, analysis and modeling

Wednesday, June 6
CenterPlace Regional Event Center
2426 N. Discovery Place
Spokane Valley, WA

Sponsored by
